

Do Not Get Blown Off Course

Crosswind landings are the number one real-world weather-related cause of accidents in general aviation. Richard Collins said they are the hardest thing to learn in aviation. Naturally many pilots are apprehensive and lack confidence in crosswind conditions. The Mastering Crosswinds seminar demystifies the crosswind dilemma. Click the link below and register TODAY.

Directions: EAA Pilot Proficiency Center

AirVenture 2016

Venue location: Four Corners (Knapp Street & Celebration Way)

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
